Greetings from Maria Droste Counseling Services,

We are excited to announce our 2026 annual Spring Fundraiser – ***Fashion for Compassion on Tuesday, May 19, 2026 @ 6:00pm at Granite Links in Quincy, MA.***

As we return to our popular fashion show format, we are excited to partner with local designers who promise to entertain our guests with creative and exciting designs! We are thrilled to have **Lisa Donovan**, the beloved co-host of *Billy & Lisa in the Morning* on iHeart Radio's Kiss 108, as emcee. Also joining us as keynote speaker is **Liam Martin**, CMO of Newsmaker Marketing and co-host of *The OCD Confessional* Podcast. With Lisa Donovan's infectious energy and Liam Martin's powerful advocacy for mental health, it's sure to be a night of both high style and deep substance!

*We hope you will consider supporting this evening of fabulous fashions with a whole lot of fun and camaraderie, as we join together to **support our mission of providing affordable and compassionate mental health care and holistic therapy services to ALL in need.***

Please consider reviewing our Sponsor Form to learn how you can support this meaningful event.
